2018 Annual Meeting of the Delegate Assembly

Bylaws and Resolutions Committee Report

The Bylaws and Resolutions Committee held an in-person meeting on Saturday, July 14, 2018, at the Ritz-Carlton Hotel in McLean, Virginia. All committee members were present. Ken Middlebrooks, Board liaison, ASWB legal counsel Dale Atkinson, and ASWB staff members Dwight Hymans, Melissa Ryder (part), and Jayne Wood also attended the meeting.

A copy of the current bylaws with all proposed amendments marked is included as Attachment #1 to this report. Deleted text is shown by strikethrough and added text is in bold red type.

The ASWB Board of Directors voted at its August 2018 meeting to support the recommendations of the Bylaws and Resolutions Committee.

Ongoing Committee Charge(s)

Charge 1
Considering all amendments duly proposed to the bylaws, and making recommendations to the Board of Directors and the Delegate Assembly as to the implications of adoption.

Recommendations/Actions
The ASWB Board of Directors forwarded two recommendations for bylaws amendments to the committee this year within the timeframe designated in the bylaws.

The Bylaws Committee reviewed the proposed amendments and has made a DO PASS recommendation for both.

- **Proposed amendment #1** and the rationale for the committee’s DO PASS recommendation appear as part of the discussion of 2018 Charge 2 (pages 3–4 of this report).

- **Proposed amendment #2**: In Article IX. Committees. Section 1. Nominating Committee, delete the sentence “The President may appoint the Immediate Past President or President-Elect as a sixth member of the committee.” Bylaws Committee: DO PASS.

  **Rationale**: The committee supports the ASWB Board in its desire to ensure transparency and to eliminate any unintended consequences of having a Board member on the committee, such as unduly influencing the deliberations to slate candidates for election to the Board, which could lead to potential conflict of interest challenges. For reasons of maintaining the autonomy of the Nominating Committee, staff and the Board liaison also advised that a Board liaison was not needed.
Charge 2
Initiating any suggestions that the committee feels necessary for change to the bylaws or proposed amendments.

Recommendations/Actions
A. The committee recommends changes in Article III. Definitions to Section 8. Public Member and the addition of a definition for “Licensed Professionals” (new Section 11).

Rationale: The definition of “Public Member” is overly broad given the recent trend to consolidate boards of allied health professions. It also does not specify that the individual is the person designated by jurisdictional law to fill the role of “consumer representative.” A definition for “Licensed Professional” is needed to encompass licensed members of Member Boards other than “Licensed Social Workers” who may be elected to serve on the ASWB Board of Directors.

B. The committee recommends changes to Article VII. Board of Directors and Officers Section 1. Composition and Section 3. Qualifications for Continued Service to expand the criterion for licensure “in good standing” to all licensed professionals serving on the ASWB Board of Directors.

Rationale: Committee members believe that regardless of profession, licensees serving on the ASWB Board of Directors should be in good standing when nominated or appointed and during their term of service, and they should be subject to removal if they do not maintain licensure in good standing.

Charge 3
Providing leadership to the bylaws amendment process at the Delegate Assembly.

Recommendations/Actions
Committee chairperson Kathy Outland of Oregon will present the report at the Annual Meeting of the Delegate Assembly.

Charge 4
Screening and processing all resolutions to be brought before the Delegate Assembly in accordance with association policy.

Recommendations/Actions
No resolutions were forwarded to the committee this year. Notification of the resolutions deadline was sent out to member boards as required in the bylaws.

Charge 5
At the direction of the Board, reviewing the ASWB Policy Manual for inconsistencies with current bylaws or association practice, and drafting proposed changes for consideration by the ASWB Board of Directors.

Recommendations/Actions
The committee was not asked to review the ASWB Policy Manual.

2018 Committee Charge(s)

Charge 1
Review definitions of Delegates, Alternate Delegates, and Nominating Committee members to determine if wording is needed to clarify whether eligibility is open to practitioners of other regulated professions who are serving on consolidated boards.
Recommendations/Actions
A. The committee recommends no changes to the definition of “Delegates” or “Alternate Delegates” and recommends no changes to the qualification for eligibility to serve on the Nominating Committee.

Rationale: The committee believes the definitions of “Delegate” and “Alternate Delegate” respect the intent to allow member jurisdictions the greatest latitude to send as Delegate or Alternate the best person from a logistics perspective, knowing that the Member Board will instruct the Delegate/Alternate how it wishes its vote to be cast. Because the qualifications for eligibility for the Nominating Committee mirror the qualifications for Board of Directors and because positions on both can potentially be filled by individuals from other licensed professions, the committee believes no change is needed.

B. The committee recommends that the qualifications for nomination and appointment for Director at Large, Open (d) and Secretary/Treasurer (e) on the Board of Directors be interchanged in Article VII, Board of Directors and Officers Section 2. Qualifications for Nomination and Appointment.

Rationale: The committee wanted to provide the possibility for Member Board members representing allied professions on consolidated boards to serve on the ASWB Board of Directors in recognition of those member boards that are consolidated (16). However, the committee wanted to limit allied professionals’ eligibility to serve on ASWB’s Board of Directors to the role of director at large. The committee clarified during discussion that the Public Member position on the Member Board was not included in this deliberation. By definition, the Public Member on any Member Board would not represent the social work profession or an allied profession on a consolidated Member Board.

Charge 2
Consider whether to amend the bylaws to allow only member jurisdictions that use the exam to vote on exam-related issues as recommended by the 2017 Membership Task Force.

Recommendations/Actions
The committee recommends DO PASS for this recommendation reflected in proposed amendments to Article IV. Membership Section 3. Rights and Privileges, Article V. Delegate Assembly Section 3. Authority, and Article VI. Association Meetings Section 4. Special Meeting, Section 6. Quorum and Voting, and Section 7. Participation.

Rationale: The committee supports the Board’s position that only Member Boards that contract with ASWB to use the exams should make decisions about the exams. The committee further supports the Board’s position that all members should be allowed to participate in discussions about the exams, including executive session at the annual meeting. Discussion points are offered here to provide context for the committee’s DO PASS recommendation.

- Committee members considered what percentage of membership does not use the exams (12.5%, representing six Canadian member boards and two U.S. member boards). Discussion centered on how Canadian Member Boards might respond to being restricted from voting. Committee members agreed with the Board’s recommendation to allow non-exam using members to take part in discussions about the exam and attend executive sessions related to exam issues, including receiving the technical report from staff and the psychometric consultant.
Committee members were informed by staff who attended the June meeting of the Canadian Council of Social Work Regulators that exam use was discussed and that most provinces indicated they would not be implementing use of ASWB exams for entry to practice registration any time soon without significant changes such as translation into French and development of an exam for social service workers, a separate profession represented in Ontario’s regulatory structure.

The committee found compelling the Board liaison’s contribution that strong opinions on exam-related issues have been around for a long time and tend to surface when the association brings up the need for exam fee increases. He explained that in those discussions some resistance to raising fees has come from members that don’t use the exam.

Charge 3
Review the wording related to ASWB’s two annual meetings to determine if a more generic approach to identifying these events is appropriate.

Recommendations/Actions
The committee recommends changing the current name of the education meeting from “Association Education Meeting” to “Association Education Conference” (Article VI. Association Meetings Section 2. Association Education Meeting and Section 3. Forums).

Rationale: The committee thought that changing the name of the education meeting was appropriate to provide continuity between the bylaws and current naming practices, recognizing that the education meeting has grown in scope and content to where it has become a conference. The committee did not find any need to change the name of the Annual Meeting of the Delegate Assembly.

Other Action Items
None.

Other Discussion Items
Committee members asked whether the language in Article VII, Section 10, Removal [of a Board member from office] was specific enough. Staff explained that the wording was intentionally broad to allow flexibility needed to give the Board the ability to manage itself.

Future Discussion Topics and/or Suggestions for 2018 Committee Charge
The committee suggests the following committee charges be forwarded to the 2019 Bylaws and Resolutions Committee.

• A charge related to establishing a process for managing vacancies on the Nominating Committee
• A charge related to requiring that Nominating Committee members, if licensed, be held to the same standard as members of the Board of Directors to remain “in good standing” during their term of service and be subject to removal if good standing is not maintained during the term of service

The termination of any action, suit or proceeding by judgment or settlement, condition or upon a plea of Nolo Contendere or its equivalent shall not, in and of itself, create a presumption that such person did not act in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the Association and, with respect to any criminal action or proceeding, had reasonable cause to believe that such conduct was unlawful.

Section 2. Qualification.
